

Current Resources
Updated 5/10/06

<i>Science</i>		
<i>Grade Level</i>	<i>Resource</i>	<i>Year Adopted</i>
K	Apples, Bubble, and Crystals	2003-2004
1	Carolina Biological: Solids and Liquids Organisms System: Nutrition and Digestive (various materials)	2003-2004
2	Carolina Biological: Magnets Soils Balancing and Weighing Butterflies System: lung and heart(various materials)	2003-2004
3	Carolina Biological: Sound Chemical Tests Rocks and Minerals Animal Studies System: Respiratory System (various materials)	2003-2004
4	Carolina Biological: Land and Water Plants Electricity Motion System: Skeletal System(various materials)	2003-2004
5	Carolina Biological: Microworlds Food Chemistry Ecosystems Float and Sink System: Muscular System (various materials)	2003-2004
6	FOSS – Earth History, Planetary Science, Force and Motion	2002-2003
7	FOSS – Diversity of Life, Populations and Ecosystem, Weather and Water	2002-2003
8	FOSS – Human Brain and Senses, Chemistry	2002-2003
Earth and Space Science	Earth Science (Holt)	2005-2006
Biology	PE Modern Biology (Holt)	2001-2002
Human Anatomy		
Zoology		
Ecology/Botany		
Food Science	Guide to Good Foods (Goodheart) Catering (Glenco)	2005-2006
Chemistry	Modern Chemistry (Holt)	1995-1996
Physics	Physics (Holt)	
Principals of Technology I	Force, Work, Rate, Resist, Energy (Cord communications)	2006-2007
Advanced Biology	PE Modern Biology (Holt)	2001-2002
