

10. May I apply if someone in my household is not a U.S. citizen?

You or your child do not have to be a U.S. citizen to qualify your child to receive reduced price or free meals.

11. Who should I include as members of my household?

Include yourself, all children who live with you and all other people living in your household, related or not (such as grandparents, other relatives, or friends).

12. What if my income is not always the same?

List the amount that you normally receive BEFORE taxes or anything else is taken out. For example, if you normally receive \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you are normally paid for overtime, include it.

13. We are in the military; do we include our housing allowance as income?

If your housing is part of the Military Privatization Initiative, do not include your housing allowance as income. All other housing allowances must be included in your gross income.

Children eligible for reduced price or free Child Nutrition Program benefits may also qualify for HealthWave, a program that provides health insurance for children at little or no cost. For more information, visit the HealthWave website (www.kansashealthwave.org) or call 1-800-792-4884, Monday through Friday from 7 AM to 7 PM or Saturday from 8 AM to 5 PM. People with hearing impairments may call TTY 1-800-792-4292.
